

Turn Up The Music - Lemonade Mouth

Bm C D G X2
Na na na na na

Bm C
Take a look around
D G
Who would have thought we'd all be here?
Bm C
So let's mess around
D G
Cuz the future is unclear

Bm C
We got nothin' better to do
D G
We're just tryin' to get through
Bm C
Can you hear me?
D G
Can you hear me?

C G
Let the music groove you
D G
Let the melody move you
C G
Feel the beat and just let go
D G
Get the rhythm into your soul
C G
Let the music take you
D G
Anywhere it wants to
C G
When we're stuck and can't get free,
D G
No matter what, we'll still be singing
Bm C
Come on, come on, turn up the music
D G
It's all, we got, we're gonna use it
Bm C
Come on, come on, turn up the music
D
Yeah
