

## Dilemma - Nelly

The song isn't hard to figure out. But for the timing-impaired, here's a sample:

Gm                      C                      Am                      Dm  
'No matter what I do, all I think about is you'

Gm                      C                      Am                      Dm  
'Even when I'm with my boo, boy you know I'm crazy over you.'
