

Trouble - Neon Jungle

I don't look for trouble
Ben belayi aramiyorum
But trouble looks for me
Ama bela beni buluyor
And it's been waiting around corners
Ve beni her kosedede bekliyor
since I was seventeen
17 yasindan beri
they say here comes a hurricane
Buraya kasirga geldi
trouble is her middle name
Beli onun gobek adi
But I don't look for trouble
Ama ben belayi aramiyorum
Yeah trouble looks for me
Bela beni buluyor

Hey, hey!

I just wanna live a quiet life
Sadece sakin bir hayat istiyorum
I make an excellent wife
Harika bir es olacagim
Man, I swear I really try

Bir suru tarafın var
I'm a Gemini
Ben ikizler burcuyum
But I don't look for trouble
Ama ben belayi aramiyorum
Yeah, trouble looks for me.

Lights up let's have a toke
Haydi icmeye baslayalım esrar saralım
Pour my whiskey in my coke
