

I've Got To See You Again - Norah Jones

Fm

Lines on your face don't bother me
Down in my chair when you dance over me

C7

I can't help myself,
Fm
I've got to see you again

Late in the night when I'm all alone
And I look at the clock & I know you're not home
I can't help myself, I've got to see you again

Chorus

F Bbm C7 Fm
I could almost go there just to watch you be seen
F Bbm C7 Fm
I could almost go there just to live in a dream

I know I won't go for any of those things
To not touch your skin is not why I sing
I can't help myself I've got to see you again

Chorus

No I won't go to share you with them
But oh, even though I know where you've been
I can't help myself I've got to see you again
Oh, I can't help myself I've got to see you again
