(G)
Her love rains down on me, easy as the breeze
I listen to her breathing, it sounds like the waves on the seas

(C)
I was thinking all about her, burning with rage and desire

(G)
We were spinning into darkness, and the earth was on fire

She could (Cadd9) Take it back, She might (Csus) take it back

(G)
Someday

So I spied on her, I lied to her, I made promises I could not keep.
And I here her laughter rising, rising from the deep.

And make here prove her love to me, I take all that I can take.

I push her to the limit, to see if she would break.

She might take it back, She could take it back

Someday

(continuous G for a moment)
