It's easy to dismiss the 'what's it all about' crowd.
There is no doubt. it's this, here, now.
And you close your eyes.

He's not coming back.

So you work it out, overfeed the cat.

And the plants are dry and they need to drink.

So you do your best. and you flood the sink.
Sit down in the kitchen and cry.

It feels like home when it comes crashing back.

And it makes you laugh

And it makes you cry,

The radio stutters,

It makes you laugh

Open up your eyes.

You're so alive.
