The End Part isn't very clear so it's not really definite what Luke does...
i find it's easier to just play one string notes
while barring all the other notes to get a really trashy yet well made
sound kind of like Luke. just try it out i'm sure it'll sound decent:]
e.g.

```

e|--xx--|Come together
b|--46--|Come together
g|--xx--|Come together
d|--xx--|Come together
a|--xx--|Come together
e|--xx--|Come together

```

commets or suggestions appreciated....

v = strum down
/ = slide up
\ = slide down
x = muted string
