

Good Girl Gone Bad - Rihanna

intro: Fm C# D# C# x2

Fm

We stay moving around, solo

C#

Ask us where you at, we don't know

D#

And don't care (don't care)

C#

All we know is we was at home cause you left us there

Bbm

You got your boys and got gone And left us all alone

Fm

Now she in the club with a freaky dress on

C#

Cats don't want her to keep that dress on

D#

Trying to get enough drinks in her system

C#

Take it to the tele and make her a victim

Bbm

Controlling the brain, ball play you in the face

C#

They shake the spot, she's just another case

Fm

C#

Easy for a good girl to go bad

D#

And once we gone (gone)

G#

Best believe we've gone forever

Bbm

Don't be the reason

C#

Don't be the reason

G#

D#

C#

You better learn how to treat us right

Bbm

C#

D#

Cause onces a good girl goes bad

Fm

We die forever

He's staying with a flack of them all, yeah

Got a girl at home but he don't care

Won't care (won't care)

All he'll do is keep me at home, won't let me go no-where

He thinks because I'm at home I won't be getting it on

And now I'm finding numbers in the jacket pockets

Chicks calling the house, non stop its
