

## If Tommorrow Never Comes - Ronan Keating

Am  
Sometimes late at night  
D C / G G C G  
I lie awake and watch her sleeping  
D Am  
She's lost in peaceful dreams  
D C G C / G G  
So I turn out the lights and lay there in the dark  
G Am7  
And the thought crosses my mind

D C / G G C / G G  
If I never wake up in the morning  
D Am7 D  
Would she ever doubt the way I feel  
C G C / G G  
About her in my heart

C  
If tomorrow never comes  
G  
Will she know how much I loved her  
D Am D  
Did I try in every way to show her every day  
C G  
That she's my only one  
Am G / B C  
And if my time on earth were through  
D Em  
And she must face this world without me  
C  
Is the love I gave her in the past  
D  
Gonna be enough to last  
G C / G C / G  
If tomorrow never comes

'Cause I've lost love ones my life  
Who never knew how much I loved them  
Now I live with the regret  
That my true feelings for them never were revealed  
So I made a promise to myself
