

## Home - Simply Red

Am Em F G

Am Em F  
What's worth nothing else but love  
G  
Take a walk down any street now  
Am Em  
Every one of us in our own little world  
F G  
Looking for a heart with whom to beat now

Am Em F  
What's worth nothing else but love  
G  
I'm prepared to take the heat now  
Am Em F  
What's worth more than anything else at all  
G  
To keep you firmly on your feet now

Am Em  
So fake cool image should be over  
F Em  
'Cause I long for a feeling of home  
F Em  
Real life, depicted in song  
F  
A loving memory  
Am Em F F G  
After long, home is a place where I yearn to belong

Am Em F  
Where the land meets the sea  
G  
She'll be smiling so sweetly now  
Am Em F  
I hope that she'll be here much longer than I will  
G  
My heart loves her with every beat now

Am Em  
So fake cool image should be over  
F Em  
'Cause I long for a feeling of home  
F Em  
Real life, depicted in song  
F  
A loving memory  
Am Em F F G

After long, home is a place where I yearn to belong
