G Em C D
Drew looks at me, I fake a smile so he wont see
G Em C D
That I want and Im needing, everything that we should be
Em C
I'll bet shes beautiful, that girl he talks about
G D
And shes got everything that I have to live without

G Em C D
Drew talks to me, I laugh cause its so damn funny
G Em C D
That I cant even see, anyone when hes with me
Em C
He says hes so in love, hes finally got it right
G D
I wonder if he knows hes all I think about at night

G D
Hes the reason for the teardrops on my guitar
Em C
The only thing that keeps me wishing on a wishing star
G D Em C
Hes the song in the car I keep singing, dont know why I do

G Em C D
Drew walks by me, can he tell that I cant breathe?
G Em C
And there he goes so perfectly
D
The kind of flawless I wish I could be
Em C
Shed better hold him tight, give him all her love
G D
Look in those beautiful eyes and know shes lucky cause

Cause hes the reason for the teardrops on my guitar

Em C

The only one whos got enough of me to break my heart
