

White Horse - Taylor Swift

C F Am F x2

C

Say you're sorry

F

That face of an angel

Am

F

Comes out just when you need it to

C

F

As I paced back and forth all this time

Am

F

'Cause I honestly believed in you

Am

Holding on

F

The days drag on

G

Stupid girl,

G*

I should have known, I should have known

C

Am

That I'm not a princess, this ain't a fairytale

F

I'm not the one you'll sweep off her feet

G

Lead her up the stairwell

C

Am

This ain't Hollywood, this is a small town

F

G

I was a dreamer before you went and let me down

Am

G

Now it's too late for you

F

C

And your white horse, to come around

C

Maybe I was naive,

F

Got lost in your eyes

Am

F

And never really had a chance

C

F

My mistake I didn't know to be in love

Am

F

You had to fight to have the upper hand

Am

I had so many dreams

F

About you and me

G

Happy endings, now I know

C

Am

That I'm not a princess, this ain't a fairytale

F

I'm not the one you'll sweep off her feet

G

Lead her up the stairwell

C

Am

This ain't Hollywood, this is a small town

F

G

I was a dreamer before you went and let me down

Am

G

Now it's too late for you

F

C

Am F G

And your white horse, to come around

Am

G

F

And there you are on your knees

C

G

F

Begging for forgiveness, begging for me

C

G

F

Bb

Just like I always wanted but I'm so sorry

C

Am

'Cause I'm not your princess, this ain't a fairytale

F

G

I'm gonna find someone someday who might actually treat me well

C

Am

This is a big world, that was a small town

F

G

There in my rearview mirror disappearing now

Am

G

F

And it's too late for you and your white horse

Am

G

F

C

Now it's too late for you and your white horse, to catch me now

F Am

Oh, whoooooa, wha, whoa

F

C

Try and catch me now

F Am

Oh, it's too late

F

C

To catch me now.
