Verse 1:

Bm                      A  
Baby, do you understand me now  
G                      F#  
    Sometimes I feel a little mad  
    Bm                      A  
Well don't you know that no-one alive can always be an angel  
G                      F#  
    When things go wrong I seem to be bad

Chorus:

D                      Bm                      A  
I'm just a soul who's intentions are good  
G                      [N.C.]                      Bm  
Oh Lord    please don't let me be misunderstood

[(2X)]

Verse 2:

Baby, sometimes I'm so carefree  
With a joy that's hard to hide  
And sometimes it seems that all I have to do is worry  
And then you're bound to see my other side

[repeat chorus]

Bridge:

Bm    A [first 3 beats as per intro]  
  
G                      A                      G                      A  
    If I seem edgy, I want you to know  
G                      A                      D                      B  
That I never mean to take it out on you  
G                      A                      G                      A  
    Life has it's problems and I get my share  
    G                      F#

And that's one thing I never mean to do, 'cause I love you

Verse 3:

Oh, oh, oh, baby, don't you know I'm human  
Have thoughts like any other one  
Sometimes I find myself long regretting  
Some foolish thing, some little simple thing I've done
