

The Wine Song - The Cat Empire

int: Dm Gm A Dm

Dm Dm7 Dm6
Song and melodies change and change
Gm Gm7 Bb A
And sway, But they still stay the same
Dm Dm7 Dm6 Gm
The songs that we sung when the dark days come
Gm Gm7 A Dm
Are the songs that we sung when we chased them away

Dm Dm7 Dm6 Gm
If I ever found a pot of gold
Gm Gm7 Bb A
I'd buy bottles untold, of the nectar of the vines
Dm Dm7 Dm6 Gm
'cause I'm going to die with a twinkle in my eye
Gm Gm7 A Dm
'cause I sung songs spun stories loved laughed and drank wine

Gm A Dm
Tomorrow is another day
Gm A Dm
The cats are out to play, to play
Gm A Dm
That old rusty spaceship wants to sail
Gm A Dm
Into the milky way again
Gm Bb A
On a river of red red wine

In summer the bushfires rage and rage
And rage , On such beautiful days
And we fight them with water that runs through the cracks
Water we're desperately trying to save

So I'll just live on wine and water my vines
And sleep on the wind with the fires right behind
And sing on the beaches and dance through the night
Oh we'll cry 'pass the wine, pass the wine, pass the wine'

Tomorrow is another day
The cats are out to play, to play
That old rusty spaceship wants to sail
Into the milky way again
On a river of red red wine

Run.

Oh what a beautiful day today!
Today's a day to celebrate
Grab your bucket, grab your spade
We're heading down to Half Moon Bay

I saw a plane go into a cloud
I'm drunk I'm singing, I'm happy and loud
Two o'clock in the arvo, but hey that's allowed...
I'm having a good time and of that I am proud
