

Just My Imagination - The Cranberries

Bb F
There was a game we used to play
Eb
We would hit the town on Friday night
Gm F
And stay in bed until Sunday
Bb F
We used to be so free
Eb
We were living for the love we had and
Gm F
Living not for reality

Bb F / Eb / Gm F
It was Just my imagination x3

Bb F
There was a time I used to pray
Eb
I have always kept my faith in love
Gm F
It's the greatest thing from the man above
Bb F
The game I used to play
Eb
I've always put my cards upon the table
Gm F
Let it never be said that I'd be unstable

Bb F / Eb / Gm F
It was Just my imagination x3
