

The Acoustic Song - The Red Jumpsuit Apparatus

F G Dm
When I see your smile
Bb F
Tears roll down my face
C Dm Bb
I can't replace

F C
And now that I'm strong I have figured out
D Bb
how this world turns cold and it breaks through my soul
F C D Bb
and I know I'll find deep inside me, I can be the one

F C
I will never let you fall
D Bb
I'll stand up for you forever
F C
I'll be there you through it all
D Bb
Even if saving you sends me to heaven

(Intro ...)

F C
Seasons are changing and waves are crashing
D Bb
and stars are falling all for us
F C
days grow longer and nights grow shorter
D Bb
I can show you I'll be the one

F C
I will never let you fall
D Bb
I'll stand up for you forever
F C
I'll be there for you through it all
D Bb
Even if saving you sends me to heaven

F
Cause you're my
C
you're my, my....
D
my true love

my whole heart
Bb C
please dont throw that away

F C
cause I'm here for you
D
please don't walk away
Bb C
please tell me you'll stay, stay...

F C
Use me as you will
D Bb
pull my strings just for a thrill
F C
and I know I'll be okay
D Bb
though my skies are turning grey

F C
I will never let you fall
D Bb
I'll stand up for you forever
F C
I'll be there for you through it all
D Bb
Even if saving you sends me to heaven

F C
I will never let you fall
D Bb
I'll stand up for you forever
F C
I'll be there for you through it all
D Bb
Even if saving you sends me to heaven
