

Psychopomp - The Tea Party

Em C
You wanted this
Em C
So sad to see
Em C
The sweet decay
Em C
Of ecstasy

D6 C
And you want it all
D6 C
And you want it all

Em C
A frozen sun,
Em C
Would guide you there
Em C
As shadows hide
Em C
The deep despair

D6 C
And you want it all

Em C
I'll give you something more
Em C
And you'll fade away
Em C
One last kiss before
Em C
You fade away.

Em C
So sleep tonight,
Em C
In idle dreams
Em C
The pain will drown,
Em C
Your silent screams

D6 C
And you want it all
D6 C
And you want it all
