Song Progression / Lyrics -

Intro

Verse 1 -

I took a walk around the world to Ease my troubled mind
 I left my body laying somewhere In the sands of time
 I watched the world float to the dark Side of the moon
 I feel there is nothing I can do, yeah

Verse 2 -

I watched the world float to the Dark side of the moon
After all I knew it had to be something To do with you
I really don?t mind what happens now and then
As long as you?ll be my friend at the end

Chorus -

If I go crazy then will you still Call me Superman
If I?m alive and well, will you be There holding my hand
I?ll keep you by my side with My superhuman might...Kryptonite

Verse 3 -

You called me strong, you called me weak, But still your secrets I will
keep
You took for granted all the times I Never let you down
You stumbled in and bumped your head, if Not for me then you would be
dead
I picked you up and put you back On solid ground

Chorus -

If I go crazy then will you still Call me Superman
If I?m alive and well, will you be There holding my hand
I?ll keep you by my side with My superhuman might...Kryptonite

Solo

Chorus (Clean) -

If I go crazy then will you still Call me Superman
If I?m alive and well, will you be There holding my hand
I?ll keep you by my side with My superhuman might...Kryptonite
YEEEEAAAAAHHHH!!!!!!!!!!

Chorus -

If I go crazy then will you still Call me Superman
If I?m alive and well, will you be There holding my hand
I?ll keep you by my side with My superhuman might...Kryptonite
