Baby I Love You - Tiffany Alvord

```
Fm                B                      F#        C#
There are three words, that I've been dying to say to you
Fm                B                      F#        C#
```
