```

C#m

On top of the roof

A

B

The air is so cold and so calm

C#m

I say your name in silence

A

B

You don't want to hear it right now

C#m

The eyes of the city

A

B

Are counting the tears falling down

C#m

Each one a promise of everything

A

You never found

A

I scream into the night for you

B

Don't make it true

F#

Don't jump

A

The lights will not guide you through

B

They're deceiving you

F#

Don't jump

A

Don't let memories go

B

Of me and you

F#

The world is down there

A

Out of view

C#m

Please don't jump

C#m

You open your eyes

A

B

But you can't remember what for

C#m

The snow falls quietly

A

B

You just can't feel it no more

C#m

Somewhere up there

A

B

You lost yourself in your pain

C#m

You dream of the end

A

To start all over again

A

I scream into the night for you

B

Don't make it true

F#

Don't jump

A

The lights will not guide you through

B

They're deceiving you

F#

Don't jump

A

Don't let memories go

B

Of me and you

F#

The world is down there

A

Out oia1ewA

A

Through the eyes of the people, you see the world through a
