Trip Through Your Wires - U2

In the distance

```
G                F9           C9

I was naked in the clothes you made
G                     F9           C9

My lips were dry, throat like rust
G                     F9           C9

You gave me shelter
G

>From the heat and the dust
          F9             C9

There's no more water in the well
G                       G9       C9

No more water in the well
G            F9      C9

Angel
G     F9  C9

Angel or devil
G            F9  C9

I was thirsty
       G        F9  C9

And you wet my lips
        G             F9  C9

You, I'm waiting for you
C                   G

You, you set my desire
Bb                F/C

I trip through your wires
                   G

Thunder,        thunder on the mountain
G      F9  C9  G                    F9

There's a raincloud
C9         G          F9

in the desert sky
C9      G             F9  C9

In the distance
       G              F9  C9
```

```
she saw me coming round
G                         F9  C9

I was calling out
      G                   F9  C9

I was calling out
```
