Em D Am7 C D

I cannot find a way to describe it

Em D Am7 C D

It's there inside, all I do is hide

Em D Am7 C D

I wish that it would just go away

Em D Am7 C

What would you do, you do, if you knew

D

What would you do

Em C

All the pain I thought I knew

D

All the thoughts lead back to you

Em C

Back to what was never said

D A

Back and forth inside my head

Em C D

I can't handle this confusion

Em C D

I'm unable, come and take me away

Em D Am7 C D

I feel like I am all alone

All by myself I need to get around this

My words are cold, I don't want them to hurt you

If I show you, I don't think you'd understand

C

Cause no one understands

All the pain I thought I knew

All my thoughts lead back to you

Back to what was never said

Back and forth inside my head

I can't handle this confusion

I'm unable, come and take me away

Cmaj7

I'm going no where (on and on and)

Em

I'm getting no where (on and on and on)

Cmaj7

I'm going no where (on and on and on and on)

D

(and off and on and off and on)

All the pain I thought I knew
All my thoughts lead back to you
Back to what was never said
Back and forth inside my head
I can't handle this confusion
I'm unable, come and take me away

Em C D
