

Sweet Dreams - Beyonce

Turn the lights on

Am G
Every night I rush to my bed
Em F
With hopes that maybe I'll get a chance to see you
Am G
When I close my eyes I'm going out of my head
Em F
Lost in a fairytale, can you hold my hands and be my guide?

Am G Em F
Clouds filled with stars cover the skies
Am G Em
And I hope it rains, you're the perfect lullaby
F
What kinda dream is this?

Am G
You could be a sweet dream or a beautiful nightmare
Em F
Either way I don't wanna wake up from you
(Turn the lights on)
Am G
Sweet dream or a beautiful nightmare
Em F
Somebody pinch me, your love's too good to be true
(Turn the lights on)
Am G
My guilty pleasure, I ain't going no where
Em F
Baby long as you're here I'll be floating on air
'Cause you're my

Am G
You can be a sweet dream or a beautiful nightmare
Em F
Either way I don't wanna wake up from you
(Turn the lights on)

Am G
I mention you when I say my prayers
Em
I wrap you around all of my thoughts
F
Boy you're my temporary high

Am G
I wish that when I wake up you're there
Em

To wrap your arms around me for real

F

And tell me you'll stay by side

Am G Em F
Clouds filled with stars cover the skies

Am G Em
And I hope it rains, you're the perfect lullaby
