

Deep - Binocular(Sarki Sozu)

so this is what you mean
and this is how you feel
so this is how you see
and this is how you breathe

sometimes
i know
sometimes
i go down deep
oh

so this is what you mean
and this is how you feel
so this how you see
and this is how you breathe

sometimes
i know
sometimes
i go down deep
oh

beneath the deep blue sea
touching every breath
all a slight off hand
for everything you left

sometimes
i know
sometimes
i go down deep
oh

sometimes
i give myself for you
sometimes
i know down deep
