Maybe I told you right from the start you can have me
F
But you can't have my heart
C F G
It's easy enough to say but I couldn't care less
C Am
Yeah I mighta told you you were on my mind
Em F
Guess I talked a pretty good line

That I'm a liar
I'm a victim of desire
I'm a moth into the fire
Yeah I'm over my head forget what I said
Tell ya I'm a liar
I'm just walking on the wire
And I couldn't get much higher
Yeah I;m over my head forget what I said
Baby I'm a liar
