

Daylight - Coldplay

F# F#7 x 4
E D F# F#7 x 2

E7 D F#
To my sur - prise

E7 D F#
I saw sun rise

E7 D F#
I am nothing

E7 D F#
And the clouds burst

E7 D F#
My de - light

E7 D F#
I saw sun light

E7 D F#
In the dark

E7 D F#
To show day light

E7 D F#
ooooh and the sun shines Yeah, on a stormy morning

E7 D F#
ooooh then I realise Who can I live without

E7 D F#
Ooooh come apart with us who

E7 D F#
Well you hear all the talk

E7 D F#
Like a first born

E7 D F#
Oh they volunteer

E7 D F#
in the darkness

E7 D F#
on the sky rise

E7 D F#
Child

E7 D F#
they'll be full of fire

E7 D F#
in the daylight

E7 D F#
ooooh and the sun shines Yeah, on a stormy morning

E7 D F#
ooooh then I realise Who can I live without

E7 D F#
Ooooh come apart with us who

E7 D F# F#7
Slowly breaking through a daylight Slowly breaking through a daylight
(repeat to end)
