

Cold - Crossfade

Am

F

Looking back at me I see that I never really got it right

Am

I never stopped to think of you

F

I'm always wrapped up in things I cannot win

Am

You are the antidote that gets me by

F

Am

F

Something strong like a drug that gets me hiiiiiiiiigh

F

Am

What I really meant to say

G

Is I'm sorry for the way I am

F

Am

G

I never meant to be so cold

Never meant to be so cold

F

Am

What I really meant to say

G

Is I'm sorry for the way I am

F

Am

G

I never meant to be so cold

Never meant to be so

Am

F

to you, I'm sorry about all the lies

Am

Maybe in a different light

F

Am

You can see me stand on my own again cause now I can see

You are the antidote that got me by

F

Am

F

Something strong like a drug that got me hiiiiiiiiigh

F

Am

What I really meant to say

G

Is I'm sorry for the way I am

F

Am

G

I never meant to be so cold

Never meant to be so cold

F Am
What I really meant to say
G
Is I'm sorry for the way I am
F Am G
I never meant to be so cold
Am
Never meant to be so cold

I never meant to be, so cold
I never really wanted you to see
The screwed side of me that I keep
Locked inside of me so deep it always
I never really wanted you to go
So many things you should have known
I guess for me there's just no hope
I never meant to be so cold

F Am
What I really meant to say
G
Is I'm sorry for the way I am
F Am G
I never meant to be so cold
Never meant to be so cold

F Am
What I really meant to say
G
Is I'm sorry for the way I am
F Am G
I never meant to be so cold
Am
Never meant to be so cold
