My life goes on in endless song
 above earth's lamentations,
 I hear the real, though far off hymn
 that hails a new creation.

Through all the tumult and the strife
 I hear it's music ringing,
 It sounds an echo in my soul.
 How can I keep from singing?

What though the tempest loudly roars
 I hear the truth it liveth.
 And though the darkness round me closes
 Songs in the night it giveth.

No storm can shake my inmost calm
 While to that rock I'm clinging
 Since love is lord of heav'n and earth
 How can I keep from singing?

When tyrants tremble shake hfd e--

How can I keep from singing?

How can I keep from singing?
