

All That I'm Living For - Evanescence

Em
I can feel the night beginning
Em
separate me from the living
Am
understanding me
B
after all I've seen
Em
piecing every thought together
Em
find the words to make me better
Am B Em
if I only knew how to pull myself apart

Am Em
All that I'm living for
Am Em
all that I'm dying for
Am Em Am Em
all that I can't ignore alone at night
Am Em
all that I'm wanted for
Am Em
although I wanted more
Am Em Am Em
lock the last open door- my ghosts are gaining on me

Em
I believe that dreams are sacred
Em
take my darkest fears and play them
Am
like a lullaby
B
like a reason why
Em
like a play of my obsessions
Em
make me understand the lesson
Am
so I'll find myself
B Em
so I wont be lost again

Am Em
All that I'm living for
Am Em
all that I'm dying for

Am Em Am Em
 all that I can't ignore alone at night
 Am Em
 all that I'm wanted for
 Am Em
 although I wanted more
 Am Em Am Em
 wanted more
 lock the last open door- my ghosts are gaining on me

G C
 Guess I thought I'd have to change the world
 G B
 to make you see me
 Em Cm
 to be the one
 G B
 I could have run forever
 Em C
 but how far would I have come
 Am Em
 without mourning your love?

Am Em
 All that I'm living for
 Am Em
 all that I'm dying for
 Am Em Am Em
 all that I can't ignore alone at night
 Am Em
 all that I'm wanted for
