

Calling All Stations - Genesis

(E) Calling all (Am/E)stations (Esus2)
(Esus2/B)Can anybody (Bm)tell me,
(D/B) tell me exactly where I (Bm6)am
(D/B) I've lost all sense of di(Bm6)rection (D/G)
(Bm/G)Watching the darkness (D/G)closing around me
(Bm/G)Feeling the cold all through my (D/G)body
That's why I'm (Am)calling all stations
In the (C/A)hope that someone hears me
(Em) A single lonely voice

I feel the sensation disappearing
(Am6-5/E) There's a tingling in my (Em)arms
And there's a numbness in my (Em)hands

(Am)All the broken (D)promises
(G)All my good intentions don't add (Em)up to very much
And I (F)realise whatever (D)happened,
