

## Guide Vocal - Genesis

Eb                    Bbm7                    Ab  
I am the one who guided you this far  
                  Bb            Gm            Dm  
All you know and all you feel  
Em                    Am  
Nobody must know my name  
                  Dm                    Ab                    Eb  
For nobody would understand and you kill what you fear  
                  Bbm7                    Ab  
I call you for I must leave  
                  Bb            Gm            Dm  
You're on your own until the end  
                  Em                    Am  
There was a choice but now it's gone  
                  Dm                    G                    Fmaj7    Dm                    A  
I said you wouldn't understand take what's yours,    and be damned
