

## In Hiding - Genesis

Em                    A7  
Pick me up, put me down  
Em                    A7  
Push me in, turn me round  
Em                    A7  
Switch me on, let me go  
Em                    A7            D                    d  
I have a mind of my own

D                    F#m  
In hiding  
G                    Em            C  
Far from the city of night  
                      D7            G  
and the factories of truth  
                      Bm  
I stand upon the mountain  
                      Am                    D7  
A million miles from my home  
                      G  
And the faces of fear  
                      A7sus4            A7  
I have freedom to think

D  
In hiding  
I may take off my clothes  
that I wear on my face  
I float upon the river  
A million miles from the plains  
that are piercing the clouds  
I am lost in the beauty

D                    D  
In hiding  
G    A7sus4            A7  
I wish you were here  
In hiding  
I lie silent at last  
I'm free from my past  
I walk among the tall trees  
This is beauty I know  
I'm in love with it all  
I have freedom to love  
In hiding
