

## Bleeding Out - Imagine Dragons

Em C  
I'm bleeding out  
G D  
So if the last thing that I do  
Em C  
Is bring you down  
G D  
I'll bleed out for  
Em  
So I bare my skin  
C  
And I count my sins  
G D  
And I close my eyes and I take it in  
Em C  
I'm bleeding out  
G D  
I'm bleeding out for you  
Em  
For you

Em C G D (2x)

Em C  
When the day has come  
G D  
That I've lost my way around  
Em C  
And the seasons stop  
G D  
And hide beneath the ground  
Em C  
When the sky turns grey  
G D  
And everything is screaming  
Em C  
I will reach inside  
G D  
Just to find my heart is beating  
Em C  
Oh you tell me to hold on  
G D  
Oh you tell me to hold on  
Em C  
But innocence is gone  
G D  
And what was right is wrong
