D

So this is what you meant when you said that you were spent?

A

Bm

And now I'd from the bottom of the pit right to the top,

Don't hold back

G

Packing my bags and giving the academy a rain check

D

A

I don't ever want let you down

Bm

I don't ever want leave this town

G

'Cause after all

This city never sleeps at night...

D

It's begin, isn't it?

Bm

I get a little bit bigger, it then,

Em

I'll admit, I'm just the same as I was

G

Now don't you understand

That I'm never changing who I am?

D A Bm G

D

So this is where you fell, and I am left to sell

A

the path that heaven runs through miles of clouded hell,

Bm

right to the top

Don't look back

G

Turning to rags and give the commodities a rain check

D
