C B Dm

And if we do forget them and

The sacrafice they made

Will the wickedness and
Sadness come to visit us again

Shall we dance a dance in sunlight
Shall we drink the wine of peace
Shall our tears be of joy
Shall we keep at bay the beast

No more tears no more tears
If we live for a hundred years
Amigos no more tears

Inside the scream is silent
Inside it must remain
No victory and no vanquished
Only horror only pain
D Bb9 C9 Bb9 C9 D9
No more tears no more tears
