

## Life Is Wonderful - Jason Mraz

It takes a crane to build a crane  
It takes two floors to make a story  
It takes an egg to make a hen  
It takes a hen to make an egg  
There is no end to what I'm saying  
It takes a thought to make a word  
And it takes some words to make an action  
And it takes some work to make it work  
It takes some good to make it hurt  
It takes some bad for satisfaction  
Ah la la la la la la life is wonderful  
Ah la la la la la la life goes full circle  
Ah la la la la life is wonderful  
Ah la la la la la  
It takes a night to make it done  
And it takes a day to make you young brother  
And it takes some old to make you young  
It takes some cold to know the sun  
It takes the one to have the other  
And it takes no time to fall in love  
But it takes you years to know what the love is  
And it takes some fears to make you trust

It takes those tears to make it rust
