

You And I Both - Jason Mraz

Was it you who spoke the words that things would happen but not to me
Oh things are gonna happen naturally
Oh taking your advice and I'm looking on the bright side
And balancing the whole thing
Oh but often times those words they get tangled up in lines
And the bright light turns to night
Oh until the dawn it brings another day to sing
About the magic that was you and me

Cause you and I both loved
What you and I spoke of
And others just read of
Others only read of the love
Of the love that I love

See I'm all about them words
Over numbers, unencumbered numbered words
Hundreds of pages, pages, pages forwards
More words than I had ever heard and I feel so alive

Cause you and I both loved
What you and I spoke of
And others just read of
And if you could see me now oh love love
You and I you and I
Not so little you and I anymore
