

[illegible]

Cm

Chorus:

Ain't it funny how some feelings you just can't deny
And you can't move on even though you try
Ain't it strange when you're feeling things you shouldn't feel
Oh, I wish this could be real
Ain't it funny how a moment could just change your life
And you don't want to face what's wrong or right
Ain't it strange how fate can play a part
In the story of your heart

 I locked away my heart

 But you just set it free

 Emotions I felt
 Gm Cm
 Held me back from what my life should be
 CM Gm
 I pushed you far away
 Gm Cm
 And yet you stayed with me
