Intro: Em C Em B

Em C D G  
It seemed to be like the perfect thing for you and me

Em C D G  
It's so ironic you're what I had pictured you to be

Em C D G  
But there are facts in our lives we can never change

Em C B  
Just tell me that you understand and feel the same

Em C D G  
This perfect romance that I've created in my mind

Em C D G  
I'd live a thousand lives each one with you right by my side

Em C D G  
But yet we find ourselves in a less than perfect circumstance

Em C B  
And so it seems like we'll never have the chance

Em C  
Ain't it funny how some feelings you just can't deny

B Em  
And you can't move on even though you try

Em C  
Ain't it strange when you're feeling things you shouldn't feel

B  
Oh I wish this could be real

Em C  
Ain't it funny how a moment could just change your life

B Em  
And you don't want to face what's wrong or right

Em C  
Ain't it strange how fate can play a part

B  
In the story of your heart

Em C D G  
Sometimes I think that a true love can never be

Em C D G  
I just believe that somehow it wasn't meant to me

Em C D G  
Life can be cruel in a way that I can't explain

Em C B  
And I don't think that I could face it all again

Em C D G  
I barely know you but somehow I know what you're about

Em C D G  
A deeper love I've found in you, and I no longer doubt  
Em C D G  
You've touched my heart and it altered every plan I've made  
Em C B  
And now I feel that I don't have to be afraid
