

Inseparable - Jonas Brothers

Verse 1:

Bm G D
Take my hand tonight We can run so far
D
We can change the world Do anything we want

Bm G D
We can stop for hours Just staring at the stars
G
They shine down to show us

Chorus:

Em
You know when the sun forgets to shine
Bm
I'll be there to hold you through the night
G D A
We'll be running so fast we can fly tonight

Em
And even when we're miles and miles apart
Bm
You're still holding all of my heart
G
I promise it will never be dark
D A
I know we're inseparable

Verse 2:

Bm G D
We can run forever if you wanted to
A Bm
I would not get tired because I'd be with you
G D
But I'll keep singing this song until the very end
A
We have done all these things

Chorus

Bridge:

Em Bm
I will give it all
G
Never let you fall
D A
