

Love Bug - Jonas Brothers

B	A	E
Called her for the first time yesterday		
B	A	E
Finally found the missing part of me		
B	A	E
Felt so close but you were far away		
B	A	E
Left me without anything to say		

Chorus:

E G#
Now I'm speechless, over the edge, I'm just breathless
A E
I never thought that I'd catch this love bug again
E G#
Hopeless, head over heels in the moment
A E
I never thought that I'd get hit by this love bug again

B A E
I can't get your smile out of my mind
[I can't get you out of my mind]
B A E
I think about your eyes all the time
B A E
You're beautiful but you don't even try
(You don't even, don't even try)
B A E
Modesty is just so hard to find

CHORUS

B A E
Kissed her for the first time yesterday

B A E
Everything I wished that it would be

B A E
Suddenly you forgot how to speak.

B A E
Hopeless, breathless baby can't you see?

Now I'm.
