

Mirrors - Justin Timberlake

G#m F# C#m E
Aren't you somethin' to admire, cause your shine is somethin' like a mirror
G#m F# C#m E
And I can't help but notice, you reflect in this heart of mine
G#m F# C#m E
If you ever feel alone and the glare makes me hard to find
G#m F# C#m E
Just know that I'm always peering out on the other side

G#m F#
Cause with your hand in my hand and a pocket full of soap
C#m E
I can tell you there's no place we couldn't go
G#m F#
Just put your hand on the past, I'm here tryin' to pull you through
C#m
You just gotta be strong

E B
Cause I don't wanna lose you now
F# E
I'm lookin' right at the other half of me
B
The biggest seat is set in my heart
F# E
There's a space, but now you're home
B
Show me how to fight for now
F# C#m
And I'll tell you baby, it was easy
G#m B
Comin' back into you once I figured it out
F# E
You were right here all along
B
It's like you're my mirror

(oh oh) My mirror staring back at me, staring back at me

G#m F# C#m E
Aren't you somethin' an original cause it doesn't seem we'll make a sample
G#m F# C#m E
And I can't help but stare cause I see truth somewhere in your eyes
G#m F# C#m E
ooh I can't ever change without you, you reflect me, I love that about you
G#m F# C#m E
And if I could, I would look at us all the time

G#m F#
Cause with your hand in my hand and a pocket full of soap
C#m E
I can tell you there's no place we couldn't go
G#m F#
Just put your hand on the past, I'm here tryin' to pull you through
C#m
You just gotta be strong

E B
Cause I don't wanna lose you now
F# E
I'm lookin' right at the other half of me
B
The biggest seat is set in my heart
F# E
There's a space, but now you're home
B
Show me how to fight for now
F# C#m
And I'll tell you baby, it was easy
G#m B
Comin' back into you once I figured it out
F# E
You were right here all along

B
It's like you're my mirror
F# E
(oh oh) My mirror staring back at me

B
I couldn't get any bigger
F# E
(oh oh) With anyone else beside of me

B
And now it's clear as this promise
F# C#m G#m
That we're making two reflections into one

B
Cause it's like you're my mirror
F# E
(oh oh) My mirror staring back at me, staring back at me

C#m G#m
 Yesterday is history
C#m G#m F#
 Tomorrow's a mystery
C#m G#m
 I can see you lookin' back at me
 E F#
Keep your eyes on me, baby, keep your eyes on me

 B
Cause I don't wanna lose you now
 F# E

Just to let you know, you are

 G#m F# C#m E
Girl you're my reflection, all I see is you
G#m F# C#m E
My reflection, in everything I do
 G#m F# C#m E
You're my reflection and all I see is you
G#m F# C#m E
My reflection, in everything I do
