

My Love - Justin Timberlake

Em Bm
If I wrote you a symphony,
Bm Am
Just to say how much you mean to me (what would you do?)
Em Bm
If I told you you were beautiful
Bm Am
Would you date me on the regular (tell me, would you?)
Em Bm
Well, baby I've been around the world
Bm Am
But I ain't seen myself another girl (like you)
Em Bm
This ring here represents my heart
Bm Am
But there's just one thing I need from you (say "I do")

[Chorus:]

Yeah, because
Em
I can see us holding hands
Bm
Walking on the beach, our toes in the sand
Bm
I can see us on the countryside
Am
Sitting on the grass, laying side by side
Em Bm
You could be my baby, let me make you my lady
Girl, you amaze me
Bm
Ain't gotta do nothing crazy
Am Em
See, all I want you to do is be my love
 Bm
(So don't give away) My love
 Bm
(So don't give away) My love
 Am Em
(So don't give away) Ain't another woman that can take your spot, my love
 Bm
(So don't give away) My love
 Bm
(So don't give away) My love
 Am Em Bm
(So don't give away) Ain't another woman that can take your spot, my love

Bm Am
My love
