

Summer Love - Justin Timberlake

Dm A#
Ridin' in the drop top with the top down
Dm
Saw you switchin' lanes girl
A#
Pull up to the red light, lookin' right
Dm
Come here, let me get your name girl
A#
Tell me where you from, what you do, what you like
Dm
Let me pick your brain girl

And tell me how they got that pretty little
face on that pretty little frame girl

Dm
But let me show you 'round, let me take you out
A# Dm
Bet you we could we could have some fun girl
A# Dm
'Cause we can do it fast (fast), slow, whichever way you wanna run girl
A#
But let me buy you drinks, better yet rings

Do it how you want it done girl
Dm A#
And who would've thought that you could be the one 'cause I

Dm A#
I can't wait to fall in love with you
Dm A# Dm
You can't wait to fall in love with me
A# Dm
This just can't be summer love, you'll see
A#
This just can't be summer love (L-O-V-E)

A# Dm
Let me take you out, bet you we could have some fun girl

'Cause we can dress it up, we can dress it down

Or we can stay home, talkin' on the phone
