

## **Angel - Kate Voegele**

Bb                    A                    E  
I've said it once and I'll say it again  
Bb                    A                    E  
I've got something hanging over my head

F#m

I'm not your angel, darling

G A

I am never gonna be

D

I'm not your angel, darling
