

Teenage Dream - Katy Perry

G D
You think I'm pretty
Am C
Without any makeup on
G D
You think I'm funny
Am C
When I tell the punchline wrong
G D
I know you get me
Am C G D Am C
So I let my walls come down, down

G D
Before you met me
Am C
I was alright but things
G D
Were kinda heavy
Am C
You brought me to life
G D
Now every February
Am C G D Am C
You'll be my Valentine, Valentine

Am C
Let's go all the way tonight
G D
No regrets, just love
Am C
We can dance until we die
G D
You and I will be young forever

G D Am C
You make me feel like I'm livin' a
G D Am C
Teenage dream, the way you turn me on
G D Am C
I can't sleep, let's run away and
G D Am C
Don't ever look back, don't ever look back

G D Am C
My heart stops when you look at me
G D Am C
Just one touch, now baby I believe
G D Am C

This is real, so take a chance and
G D Am C
Don't ever look back, don't ever look back

G D
We drove to Cali
Am C
And got drunk on the beach
G D
Got a motel and
Am C
Built a fort out of sheets
G D
I finally found you
Am C G D Am C
My missing puzzle piece.. I'm complete

Am C
Let's go all the way tonight
G D
No regrets, just love
Am C
We can dance until we die
G D
You and I will be young forever

G D Am C
You make me feel like I'm livin' a
G D Am C
Teenage dream, the way you turn me on
G D Am C
I can't sleep, let's run away and
G D Am C
Don't ever look back, don't ever look back

G D Am C
My heart stops when you look at me
G D Am C
Just one touch, now baby I believe
G D Am C
This is real, so take a chance and
G D Am C
Don't ever look back, don't ever look back

G D Am C
I'ma get your heart racing in my skin tights jeans
G D Am C
Be your teenage dream tonight
G D Am C
Let you put your hands on me in my skin tight jeans
G D Am C
Be your teenage dream tonight

G D Am C
You make me feel like I'm livin' a
G D Am C
Teenage dream, the way you turn me on
G D Am C
I can't sleep, let's run away and
