

## Breakaway - Kelly Clarkson

intro: Bm A D G Bm A G 2x

verse:

Bm A  
grew up in a small town  
D G  
And when the rain would fall down  
Bm A G  
i'd just stare out my window  
Bm A  
dreaming of what could be  
D G  
Ang if i end up happy  
Bm A G  
I would pray  
Bm A  
Trying hard to reach out  
D G  
But when i try to speak out  
Bm A G  
Felt like no one could hear me  
Bm A  
Wanted to belong here  
D G  
But something felt so wrong here  
Bm A G  
so i pray

refrain:

Bm A E E G A  
i could breakaway

Chorus:

D  
i'll spread my wings  
A  
and i'll learn how to fly  
Bm  
i'll do what it takes  
G  
'till i touch the sky  
D  
make a wish, take a chance  
A  
make a change  
Bm A G  
and breakaway  
D  
out of the darkness

A  
and into the sun  
Bm  
but i won't forget  
G  
all the ones that i love  
D  
i'll take a risk, take a chance  
A  
Make a change  
Bm A G  
and break away

verse2: same as verse1  
chorus: same as first chorus

bridge:  
A D  
Buildings with a hundred doors  
G  
swinging 'round revolving doors  
A D  
Maybe i don't know  
G  
where they'll take me  
A D G  
but gotta keep movin' on, movin' on
